**FILLING EMPTY PEWS** BY FR. TONY**WHAT CAN YOU AND I DO TO FILL OUR EMPTY PEWS AT HOLY APOSTLES?**

As I spoke to you two weeks ago, in my way of thinking, it is actually quite simple... If each one of us could bring just one or two people to Holy Apostles, the Church would be full! If each one of us brought just one other person, we would double our numbers immediately. If each one of us brought two people, we would triple our numbers! ... Only one or two people, that's all each of us would need to bring.

Surely, each of us knows more than one or two people not connecting to God and Church, and yet who are in need of what we find here: the blessings we receive including the gift of our faith; the strength we get from the sacraments; the sense that we are watched over, cared for and loved by Someone greater than ourselves; that we always have a place we can go to with our problems and difficulties; and that we can trust and have confidence that we will always be given what we truly need whether it be consolation, courage, hope, healing, forgiveness, understanding, balance, perspective, belonging, renewal, another chance, perseverance, joy, peace, generosity, love and hopefully,

**Heaven!**

Who would not want these blessings? Certainly most of us are aware of more than one or two people who do not take in such blessings...

So my question to you is who are the one or two people or families that you are going to pray for and befriend and eventually invite to Holy Apostles? Who are those who will be able to say of you, "Because I knew you, I have been changed for Good!"? May all of us at Holy Apostles begin working on this goal!
